FISCAL ANALYSIS

ASSUMPTION

Officials with the **County Employees' Retirement System** estimate no direct fiscal impact as a result of this proposal.

The **Joint Committee on Public Employee Retirement** indicates that this legislation does represent a "substantial proposed change" in future plan benefits as defined in Section 105.660(5). Therefore, an actuarial cost statement as defined in Section 105.665 must be provided prior to final action on this legislation by either legislative body or committee thereof.

Pursuant to Section 105.670, this actuarial cost statement must be filed with 1) the Chief Clerk of the Missouri House of Representatives, 2) the Secretary of State and 3) the Joint Committee on Public Employee Retirement as public information for at least five (5) legislative days before final passage of the bill.

An actuarial cost statement for this legislation has not been filed with the Joint Committee on Public Retirement. It would be impossible to accurately determine the fiscal impact of this proposed legislation without the actuarial cost statement prepared in accordance with Section 105.665.

A response was not received from the **Prosecuting Attorneys Retirement System, Office of Prosecution Services or Local Governments Retirement System**.

DESCRIPTION

This bill allows prosecuting attorneys in all counties which, prior to August 28, 2001, have made the position of prosecuting attorney a full-time position to participate in the retirement system for prosecuting and circuit attorneys. The prosecutor is eligible for the same benefits as a full-time prosecutor in a county of the first classification. The election to participate in the system must be made by a majority of the members of the county commission and is irrevocable. The commission may elect to pay the prosecutor retroactive benefits for all years prior to August 28, 2001, that the prosecutor served as a full-time prosecutor.

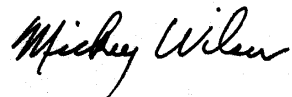

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
